***Sessions at Home** – Sessions 19, 22, and 24 are to be read at home. After each session is read, your child(ren) is to complete the Interactive Session questions online and submit the answers to the assigned email address for your child(ren) grade(s). It is strongly suggested that you send the 2nd email to yourself, so you have a copy.

7. You can also list a question in the dialog box if you choose too. This is optional.
8. You list the one assigned email address to your child's grade (see below) and your own email address as a backup copy. For two email addresses, it should look like this: [email@email.com,email@email.com](mailto:email@email.com)
9. The student should then type their name and click submit.
10. The email addresses they typed should receive the results within a few minutes. If not, please make sure the student typed the e-mail correctly.
